

THE GREAT SPRING EGG HUNT!

Why should the kids get to have all the fun?

The Granby Recreation Department is pleased to offer PARENTS 2 eggciting opportunities to have a little fun of your own with our GranbyRec.com Egg Hunt! The first hunt takes place from Friday 3/31/17 through Thursday 4/6/17, the second hunt is Friday (12PM) 4/7/17 through Wednesday 4/12/17. Visit our website, www.GranbyRec.com, and find the colored eggs hidden among the many programs, news, facility, and other info pages. Email us back at recreation@granby-ct.gov with the page titles of 10 of the eggs, not including the GOLDEN EGG, and we will credit \$10 to your online account with us. You can use the credit toward any future program purchase.

If you do find the special GOLDEN EGG and email us back with this egg's location on the website you will be entered to win a special prize! One Winner will be selected at random from each week's set of Golden Egg "finders". Happy Hunting! (Ha Ha! The Eggs on this page do not count in the hunt!)

We couldn't forget the kids:

Twilight Eggstravaganza at SBP!

Jack, the Spring Bunny will be visiting Salmon Brook Park on **Thursday**, April 13th. Children from 2-12 can participate in egg hunts, face painting, bounce house activities, a science demonstration and get a picture with our Spring Bunny! This event is sponsored by the [Granby Recreation Department](#) and [Bounce About of Canton](#). The event is free, but the Salmon Brook Park Concession Stand will be open with **burgers**, **hotdogs**, **pizza**, **snacks**, and **drinks** for sale throughout the evening.

Festivities will begin at Salmon Brook Park at 5:30PM. There will be an egg hunt for 1-2 year olds at 6:15PM, an egg hunt for children ages 3-5 about 7:00PM and a Flashlight Egg Hunt for children ages 6-12 after dusk, about 8:00PM. All children participating in the hunts should bring their own basket or sack to collect the hidden eggs, older (ages 6-12) children will need to bring their own flashlight as well. There will be prizes for special golden eggs found during the hunts.
